CHICKASAW POINT RV PARK HOME CONSTRUCTION DISCLOSURE & CONTRACT

Property owners actively building their personal home in Chickasaw Point may be allowed an extended stay in the RV Park during the construction of their home.

- a. All RV Park at Chickasaw Point Rules apply.
- b. At the time of reservation, the lot owner will provide a written contract from their builder detailing the expected start date and projected end date of construction.
- c. This period shall not exceed nine (9) months. Exceptions require pre-approval.
- d. The arrangement will be reviewed on a monthly basis to ensure compliance with RV Park at Chickasaw Point Rules. Initials required each month.
- e. The arrangement is available only for the construction of one (1) home, not for construction of multiple homes.
- f. RV Park stay begins no sooner than 14 days prior to groundbreaking, and ends within 14 days of receipt of Occupancy Certificate.
- g. An updated Contractor Agreement dated seven (7) days prior to arrival will be required, indicating accurate Start Date.
- h. Site requests and assignments are not guaranteed. If your build takes longer than expected, you may be required to relocate to another site.
- i. See separate RATE SHEET. Per the Chickasaw Association Inc. - Rates are subject to change without notice.
